Welcome to the new GA Wing Cadet Programs Website. Your website development team (Project Shadow) has been hard at work creating you a new website with a more user friendly interface. We have changed up the colors, and also added some new features.

You will need to re-register on this site even if you were previously registered on the former Cadet Programs Site. This is for security reasons.

If you have any questions or suggestions, please contact us by clicking on the link in the Main Menu. Thanks.
